Escribir. Puntuación final	

Instrucciones:

En este cuaderno vas a encontrar actividades de Lectura y de Escritura correspondientes al Nivel Básico.

A través de las respuestas se va a valorar el dominio que tienes del idioma en las destrezas de leer y escribir.

En primer lugar vas a responder a las preguntas relacionadas con la lectura y una vez concluidas éstas, tendrás que redactar un texto. Para responder correctamente a las actividades de lectura debes, antes de empezar a contestar, leer con detenimiento el texto.

En unos casos, encontrarás preguntas en las que deberás elegir la respuesta rodeando con un círculo la que consideres correcta. Únicamente hay una respuesta correcta de las cuatro opciones posibles. Por ejemplo:

1. Esta prueba es de _____

- a. Alemán.
- b. Francés.
- c. Inglés.
- d. Italiano.

Si cometes algún error o piensas que te has equivocado, tacha la respuesta errónea y rodea con un nuevo círculo la respuesta correcta. Por ejemplo:

- a. Alemán
- b. Francés.
- c. Inglés.
- d. Italiano.

En otros casos, las preguntas son abiertas y **tienes que responder en inglés.**

Utiliza bolígrafo azul o negro para todas tus respuestas. No escribas nada en la pequeña tabla que aparece al final de cada actividad. Puedes consultar el texto cuantas veces consideres necesarias.

El tiempo máximo para realizar la prueba será de 60 minutos.
